### **Request for Sponsorship: Italy Rugby Tour December 2024**

I hope this message finds you well. I am reaching out on behalf of ACUDEO Crystal Park to invite your esteemed company to support a life-changing opportunity for three of our talented learners and their coach. They have been selected to represent South Africa on the Blikkies Groenewald U19 Rugby Team in an international tour to Italy, taking place from 6th to 14th December 2024.

This tour will not only provide these young athletes—Ntando Amogelang Ntjana, Muhluri Excellent Zitha, and Nelson Nenyasha Nemaungwe—with invaluable international exposure, but also allow them to compete against elite rugby teams from around the world. However, to make this dream a reality, we need your support.

The total cost for each player to participate in the tour is R70,000, covering flights, accommodation, meals, and training. As these learners come from disadvantaged backgrounds, we are appealing to corporates like yours to help sponsor their participation. Your contribution will not only change their lives but will also make a meaningful impact on the community, showcasing your company's commitment to youth development and sports excellence.

In recognition of your support, we would be thrilled to offer brand visibility at our school events, media coverage, and social media platforms, aligning your brand with an inspiring story of perseverance and success. This is a unique opportunity to demonstrate your corporate social responsibility while contributing to the future of South African sports.

We would be delighted to discuss further how your involvement can be tailored to benefit both your company and these promising young players. Please feel free to reach out to me directly to explore how we can work together.
